

The logo features a central red brushstroke banner with white text. To the left, a pink and white chevron patterned paper strip is layered over the banner. To the right, a green and white plaid paper strip is layered over the banner. The entire design is set against a textured, brown paper background.

Magnolia Girls' Club

NURTURING HUMAN VIRTUES IN YEAR'S 5-6 GIRLS

Through Magnolia Girls' Club we're building a future where every person is the best version of themselves.

1. Living the Club Code creates a fun and safe **environment** where the girls can be 100% themselves.
2. Workshops on different human **virtues** help develop each girl's unique strengths and work on their weaknesses.
3. Cultural and educational activities help them put into **practise** the workshop learnings straight away.

With each activity, the girls rekindle friendships and grow in virtue to enrich every environment they are in!
